TABLE OF CONTENTS

- 1. PROJECT SCOPE**
- 2. Tender submission process.**

**Design, Construction, Fabrication, Supply, Installation and
Commissioning of LPG Bottling Plant (50x2)
MTON.at Daulatpur Depot**

1. PROJECT SCOPE

This section specifies the scope of supply and services to be delivered by Contractor, the work to be performed and the technical assumptions on which this proposal is based. It also includes the responsibilities and obligations of the client in relation to the Project.

2. Technical and Commercial Bid Submission:

- Vendors are requested to submit their bids in two separate parts: a technical bid and a commercial bid.
- The technical bid should include detailed technical specifications, methodologies, and any other relevant technical information.
- The commercial bid should include pricing, payment terms, and any other commercial terms and conditions.

Please ensure that both the technical and commercial bids are clearly labeled and submitted in separately.

***Please return a signed and stamped copy of this document along with the proposal. ***
